NARRATIVE:

Octavio Rodriguez is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include possession of a firearm by felon, lewd or lascivious acts, failing to register as a sex offender, trespassing and possession of controlled substance paraphernalia. He has served multiple prison terms, the longest being a 3 year term for failing to register as a sex offender. Rodriguez was released from state prison to the supervision of the Los Angeles County Probation Department on December 17, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2013 after he absconded from post release community supervision (PRCS). Rodriguez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for failing to register as a sex offender is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
